SET UP THE UCLA VPN
Go to https://bit.ly/wirevpn and let the WI+RE team show you how to access journals, movies and more from wherever you are. We recommend checking out Kanopy, Resflix, and our collection of journal subscriptions.

CHECK COURSE RESERVES
Once you’ve signed up for classes, see if your textbooks are available in our Course Reserves collection. If they’re not in our collection and you still need them, try reaching out to our research staff for help.
